**RESPONSE TO RESTRICTION REQUIREMENT**

Mail Stop Amendment  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Responsive to the restriction requirement, Applicant hereby elects Species I (Figs. 1-5). However, Applicant would like to point out that Fig. 6, which is identified in the Office Action as another species (Species II), is in fact just another view (an exploded view) of the embodiment shown in Figs. 1-5, so it is not believed that Fig. 6 can properly be characterized as another species.
